Benefits

Bestpass provides truckers and transportation companies with a complete solution to manage toll-related activities—and to save time and money.

Trucking & Fleet Data Management

- Streamlined and flexible vehicle and license plate updates, including online upload of data and files, from entire vehicle lists to cab cards to truck photos

- Targeted data search across all toll transactions, as well as advanced filtering options, including transponder, date and time, facility, vehicle and cost center

- Enhanced deployment throughout fleet with a customized distribution plan and each transponder shipped with appropriate labels and cases

- Powerful notification platform, including exclusion zones

- Account-at-a-glance dashboard

Enhanced Toll Discounts

Bestpass customers get immediate savings on toll roads, including additional and volume discounts on:

- New York State Thruway
- Pennsylvania Turnpike
- New Jersey Turnpike
- New York City bridges and tunnels
- Maryland Transportation Authority (highways, bridges and tunnels)
- Colorado E470
- Kansas, Florida, Oklahoma and Texas toll roads

Bestpass Freedom

Coast-to-coast violation, video and out-of-Bestpass network toll statement processing
